ROYAL ARCANUM

Dear Royal Arcanum Friends,  
I wanted to thank you so much for the finals week care package! It helped me immensely during all of those long library hours!

My first year at Seton Hall University was a huge success! I made accomplishments such as making the Dean's List First Semester and being chosen for a highly selective field placement! I wanted to send a huge thank you to not only Reverend Snyder, but also the entire Royal Arcanum family for making my first year at Seton Hall a success!

GO PIRATES!

With much love and appreciation,

Shannen Delabas

-Granddaughter of Donald & Hillie Foley.
