## **Gathering and Use of Information**

**The Society uses the pictures, first and last name, age, council number, audio and video files (personally identifiable information) in our Bulletin, on our Facebook page and on our website. We may use the information in connection with an activity or contest and for internal marketing and promotional purposes.**

**Before the Society uses or discloses such information for a child under the age of 13, we shall obtain such child’s parent or legal guardian’s written permission. We do not collect personally identifiable information from children under the age of 13 other than Information that is supplied to us on a voluntary basis with the parent’s or legal guardian’s consent. The written consent may be sent back to the Society by fax, mail or electronic scan. If the parent or legal guardian does not consent, the child’s information will not be used. The identifiable information will be retained only so long as is necessary to fulfill the purpose for which it was collected. We will use reasonable measures to protect against its unauthorized access or use.**

A consent form is available on our website, on our Facebook Page and in our Bulletin.

Parents need to recognize, however, that under certain circumstances, if they do not give their consent their children may not be eligible for certain activities for which the personally identifiable information is needed. For example, if the parent or guardian of a contest participant elects not to consent to the Society's use of his or her personal information, the Society cannot contact him or her in the event he or she wins the contest.
